CX7

The new BlackBox CX7

This camera enclosure has been designed with feedback from our many BlackBox users.

- The BBCX7 is both a side or top mount box.
- You can open the LCD screen without taking the camera out of the box.
- You can access the rear ports, AV out and HDMI without removing your camera.
- The BBCX7 is a super snug fit.
- The BBCX7 mounts straight to your Flatlock with the CX7 plate.
